

Questionnaire

- How long have you noticed unusual activity in your home?
- Is the activity confined to a particular room or area of the house?
- Have you ever discovered that lights or other electronic devices have been turned on (or off) when you know you didn't touch them?
- Have you ever misplaced an object only to find it in an unusual place later on?
- Have you ever discovered that objects in your home have been re-arranged?
- Have you ever discovered any marks on your body - scratches, unexplained bruising, burns?

Questionnaire Continued

- Has anyone who visited you commented on feeling uncomfortable in your home?
- Has anyone who does not live in the home experienced unexplained phenomenon when they came to visit?
- Does the activity occur during a particular time of the day?
- Does the activity occur during any particular time of the year - around holidays, winter, spring, summer, etc?
- Have you ever used an Ouija board in the home, held a séance, or conducted any rituals that might have caused the activity?

Questionnaire Continued

- Are there adolescent children living in your home?
If so, what are their ages?
- Does the home have a reputation of being "haunted"?
- Have any anomalies shown up in photos taken in your home?
- Are you aware of the house having a history of any tragedy (murder, suicide, drug overdose) prior to your moving in?
- On a scale of 1 - 10, 1 being the lowest score, how fearful would you say you are of the activity you are experiencing?
